2- Parent Teacher Association –

"Alone we can do so little, together we can do so much"

A General body meeting of parents is organized on a regular basis to improve the quality of education. Therefore new members of PTA were nominated for the year 2025-26

As PTA meetings are arranged periodically, the PTA members of this school are closely involved in most of the academic activities. We are thankful to them for their credible support and great cooperation through the years.

3- Academic Activities-

"Intellectual education influences the head and values-based Education influences the heart"

Time to time completions and academic activities that go beyond the text books and the class rooms encourage and develop competitive spirit and effective communication skills in the students.

The activities which are conducted at class level, school level and then inter house level are as under :

- (a) Hand writing
- (b) Essay writing
- (c) Speech competition on current topics-English and Hindi both
- (d) Poetry recitation-English and Hindi both
- (e) Debate competition

Prizes and certificates are awarded to achievers during assembly. Science, maths and English Olympiad are conducted every year where students got chance to show their excellent performance.

4- Literature :

"Books are the carriers of civilization without books, history is silent literature dumb. Science crippled, thought and speculation at a standstill "

If a student is morally educated, he is a lot better equipped to move up in the life or succeed. School subscribes to various educational, moral stories, entertainment magazines and periodicals which are available in the Library to read and borrow by the students.

5- ART :

"a true artist is not one who is inspired but who inspires others "

learning is lot like eating. Art integrated learning has been a hall mark of the school even before the CBSE mandated it as compulsory. During epidemic caused by COVID-19, online art & craft competitions have been conducted for class 6th to 10th to enhance creativity in the students along with the syllabus.

6- Value Based Education :

"just as our bodies need good food every day, our minds need good thoughts every day "

A quality value based education is imparted to the students for self-development as well as personality development. All this is done with the aim to inculcate in students

values of honesty, loyalty, discipline, dedication, integrity, trust, gratitude, forgiveness, kindness, etc.....

7- Training, seminars, orientation and counseling :

Time to time training, seminars and orientation programs are conducted for the teachers and students to enhance their teaching ability/experience and knowledge respectively. Teachers are also encouraged to develop innovative ideas to make teaching more effective and communicative .

8- Co-curricular and Extracurricular Activities :

These are the most essential part of the education system because they strengthen the classroom, entertain the students, refresh the students, develop the personality of a child and harness the depth potential of the students. These activities make the best of the present and get utilize the present to the fullest. These activities are as under .

- (a) Fancy dress competition
- (b) Card making
- (c) Poster making
- (d) Chart making

9- Games and sports competition :

To be physically fit it is most essential to be a good scholar. Sports and games develop a sense of friendliness and team spirit among the students . Sports and games provide strength to the students of tolerance and make them ready for future struggle/commitments. Here ample opportunities are provided for students to perform Exercise/Yoga.

These are as under –

- (a) Volleyball
- (b) Kho-kho
